### **(1) Summary Report.**

#### **Overview report:**

<b>Pages</b>	<b>Section</b>	<b>Corrections</b>
59	4.4 (Main text)	In this section, the grouping "licence fee revenue" also includes revenue obtained from a tax levied on electricity bills, as employed in several of the countries included in the monitoring, including Turkey.
134	Annex 3 Table 2 – TV Overview	The total number of television households in Turkey should read 16,114, not 10,789.
145	Table 7 - Overview of Broadcasting Regulators	The Turkish title of the Radio and Television Supreme Council is incorrect. It should read: Radyo ve Televizyon Üst Kurulu.
154	Table 9 - Overview of public service television broadcasters	The Turkish title of the Turkish Radio and Television Corporation is incorrect. It should read: Türkiye Radyo ve Televizyon Kurumu.
170	Table 12 - Funding of public service television broadcasters	Clarification: in this table, the heading "licence fee revenue" also includes revenue obtained from a tax levied on electricity bills, as employed in several of the countries included in the table, including Turkey.

**Summary of country reports:**

<b>Country report</b>	<b>Pages</b>	<b>Section</b>	<b>Corrections</b>
<b>Germany</b>	244-255	3. Recommendations	The numbering of the recommendations is incorrect. The numbering should start with 1, not 2.
			In Recommendation 2 (under "Media Diversity") the full name of the Commission is incorrect. It should read Commission Supervising Ownership Concentration in the Television Sector (KEK).
			In Recommendation 4 (under "Funding"), the acronym KEF refers to the Commission for the Assessment of the Financial Requirements of the Public Service Broadcasters.
