

## COMMUNITIES AGAINST HATE

# Communities Against Hate: Front-Line Organizations

Updated: July 27, 2017

The Open Society Foundations' Communities Against Hate initiative supports organizations that are grappling with the spike in hate incidents in the United States. Our local grants, which range from \$15,000 to \$150,000, aim to support, protect, and empower those who are targets of hateful acts and rhetoric, and to bolster communities' resilience and ability to prevent such incidents from occurring in the future. All Communities Against Hate local grants have been issued. The complete list is below.

### **Abortion Care Network**

National

\$70,000 over six months

Abortion Care Network will create a network of social workers uniquely positioned to provide support to abortion providers.
