

# Human Rights Litigation

ARE YOU A HUMAN RIGHTS LITIGATOR or activist? Are you interested in using international law to challenge abuses? Spend a week this summer with lawyers and experts from the Open Society Justice Initiative at the Central European University in Budapest. Drawing on our practical experiences before the UN treaty bodies and regional human rights courts, together we will examine how litigation can be a powerful part of your strategy for change.

Course dates: 9-13 July 2018

Application deadline: 14 February 2018
