OPEN SOCIETY

# THE OPEN SOCIETY INITIATIVE FOR EUROPE WAS ESTABLISHED IN 2013 TO CONTRIBUTE TO MORE VIBRANT AND LEGITIMATE DEMOCRACIES IN THE EUROPEAN UNION BY SUPPORTING THE ACTIVISTS AND CIVIL SOCIETY ORGANIZATIONS CONFRONTING EUROPE'S MANY CHALLENGES.

## THIS REPORT PRESENTS THE ORGANIZATIONS WE WERE PROUD TO SUPPORT IN 2014.

**This list includes grants of the Open Society Initiative for Europe**, which is the largest but not the only Open Society program operating within Europe. The list also includes grants from the Open Society Think Tank Fund, which currently forms part of the Open Society Initiative for Europe but which still operated as an independent program in 2014. Additionally, it includes grants that were provided through Solidarity Now (currently an independent Greek organization), to run Solidarity Centers in Athens and Thessaloniki and provide support to Greek NGOs that are addressing the effects of Greece's sovereign debt crisis and the refugee emergency. A small number of grants have been omitted at the request of the grantee.

**This document presents grants awarded in 2014.** The award date is the date that the grant letter was first signed by an Open Society Foundations signatory. This means that a grant that was approved in 2013 but only officially awarded in 2014 will feature in this list, whereas a grant that was approved in 2014 but officially not awarded until 2015 will not.

**Only the name of the grantee with which we signed a grant letter is listed**, even if the grantee was working in a collaborative or served as a fiscal agent for another organization.

**All of the grants listed in this report were made by independent European members of the Open Society Foundations network**, except the following two grants which were made by the US-based Foundation to Promote Open Society: The Peace Institute and The American Assembly.

**Some of the grants listed here may be co-financed by other Open Society programs.** The total amount of the grant is listed.

# DEMOCRATIC PRACTICE

DEMOCRACY CAN SUCCEED ONLY IF CITIZENS' PARTICIPATION IS FULLY SECURED. ACROSS EUROPE, WE SUPPORT ORGANIZATIONS THAT WORK TO PROMOTE CIVIC ENGAGEMENT AND TO IMPROVE DEMOCRATIC POLICY.

A STRONG AND INCLUSIVE CIVIL SOCIETY IS THE FOUNDATION OF A MORE EQUAL SOCIETY. WE BELIEVE CIVIL SOCIETY AND SOCIAL MOVEMENTS SHOULD INCLUDE THE VOICES AND CONCERNS OF THOSE MOST MARGINALIZED WITHIN THOSE MOVEMENTS. ACROSS EUROPE, WE SUPPORT ORGANIZATIONS THAT ADVOCATE FOR EQUAL OPPORTUNITIES, AND WE ENCOURAGE THE PARTICIPATION OF MARGINALIZED COMMUNITIES, LIKE MUSLIMS AND THE ROMA.
